WHY SHOULD WE CELEBRATE THE ROTARY FOUNDATION?

As proud as we are for being members of Rotary, we have to realize that Rotary International is not in the business of doing humanitarian grants. We pay our dues to Rotary International which covers our administrative expenses to keep Rotary in business. The dues, however, does not cover humanitarian grants; The Rotary Foundation does! Which is why each November Rotary celebrates Rotary Foundation Month.

The Rotary Foundation is the Charitable Foundation of Rotary International, whose money comes from our contributions to The Rotary Foundation. In the case of cash contributions, our individual giving is recognized with Paul Harris Fellow levels, and shows our commitment to "Changing Lives", as these contributions are used in our Communities and other humanitarian projects that our clubs feel deserve our efforts to improve their lives.

The Paul Harris pin you have, or will have, represents your commitment to changing lives of those less fortunate, and with your contributions there will be far more people benefitting from our efforts. Past Rotary International President Tanaka said it best with his Presidential theme of, "Peace Through Service". Through our efforts, each Rotary Foundation project or program creates goodwill by simply lending a hand to someone we did not know before we started, and even though you may never see these people or their faces of gratitude, know that your contributions are making a difference.

We have become the Greatest humanitarian service organization this world has ever had, and we should be proud of our efforts made possible through the Rotary Foundation. I urge you to see all that the Rotary Foundation does, because it is your contributions that are making this possible.

Celebrate The Rotary Foundation, be aware of all we are doing, and take pride in all you are making possible in investing in The Rotary Foundation

History of The Rotary Foundation

At the 1917 convention, outgoing Rotary President Arch Klumph proposed to set up an endowment “for the purpose of doing good in the world.” In 1928, it was renamed The Rotary Foundation, and it became a distinct entity within Rotary International.

Growth of the Foundation

In 1929, the Foundation made its first gift of \$500 to the International Society for Crippled Children. The organization, created by Rotarian Edgar F. “Daddy” Allen, later grew into Easter Seals.

When Rotary founder Paul Harris died in 1947, contributions began pouring in to Rotary International, and the Paul Harris Memorial Fund was created to build the Foundation.

Evolution of Foundation programs

1947: The Foundation established its first program, Fellowships for Advance Study, later known as Ambassadorial Scholarships.

1965-66: Three programs were launched: Group Study Exchange, Awards for Technical Training, and Grants for Activities in Keeping with the Objective of The Rotary Foundation, which was later called Matching Grants.

1978: Rotary introduced the Health, Hunger and Humanity (3-H) Grants. The first 3-H Grant funded a project to immunize 6 million Philippine children against polio.

1985: The [PolioPlus program](#) was launched to eradicate polio worldwide.

1987-88: The first peace forums were held, leading to [Rotary Peace Fellowships](#).

2013: New [district, global, and packaged grants](#) enable Rotarians around the world to respond to the world’s greatest needs.

Since the first donation of \$26.50 in 1917, the Foundation has received contributions totaling more than \$1 billion.

Celebrate the Centennial

In 2016-17, the Foundation turns 100, and that is definitely something worth celebrating. Get ideas for holding your own centennial event, explore the Foundation’s history in our interactive timeline, and track progress toward our fundraising goal.

FREE T-SHIRTS FOR INTERNATIONAL PROJECTS

Our District has partnered with the American Silk Screen Company of Santa Barbara to supply shirts, hats and sweatshirts to international communities that are in need of these items. The shirts are overstocks and cosmetic seconds that cannot be distributed in the United States. We currently have 2-3,000 shirts ready to be distributed. If you are planning on travelling to an international project sight, or would like to ship shirts to a favorite project location, please contact Wade (wadeDG1112@verizon.net) for details and to organize a pick-up or delivery.

PEACE TABLE AT STEPS CONFERENCE, JANUARY 28, 2017

Following the success of the Peace Table conducted at the district conference in October, planning is underway for another to be held at the STEPS Conference in January. A number of Rotary Peace Fellows have signed up for the virtual Peace Table to participate in the discussions which will focus on the theme of the video: "Peace Is..." and how Rotarians and Rotary Peace Fellows might work together more effectively.

A copy of the video "Peace Is..." was sent to all clubs in D5240 on a USB drive gifted to D5240 and DG Nick Frankle by Rotarian Tom Schneider, Rotary Club of Midday San Miguel, Mexico.

To receive further information or to sign up for virtual participation of the Peace Table at STEPS contact Catherine Bonifant via email: Catherine.r.bonifant@gmail.com

D5240 ROTARY PEACE FELLOWSHIP SUBCOMMITTEE

Further good news on our Rotary Peace Fellowship candidates arrived after last month's newsletter went to print. Although disappointed for four of the candidates who were unsuccessful, we were informed of another successful applicant as well as two being placed on the Alternate list with a slight chance of being offered a place should successful applicants need to withdraw or defer.

Two Successful Candidates

D5240 Rotary Peace Fellowship candidate, **Jenny Anne Apias** (Philippines) has been successful in her application for the 2017 Masters course at Uppsala University, Sweden. Jenny is employed by Non Violent Peace Force in the Philippines. Members of the Rotary E-club of One World and the district Peace Fellowship subcommittee members, including DG Jim Bell, will support Jenny throughout her journey. Jenny will also be supported by Rotarian counselors in Uppsala while she is undertaking the Masters Programme in Peace and Conflict Studies.

D5240 Rotary Peace Fellowship candidate, **Jane Wanjiru** (Kenya) has been successful in her application for the 2017 Professional Certificate at Chulalongkorn University, Thailand. Jane is employed by Non Violent Peace Force in South Sudan and will benefit enormously from the opportunity provided by the course. Jane will be supported throughout her time in Thailand by Rotarian counselors in the host district in Bangkok and in the Rotary E-Club of One World.

Alternate Candidates are D5240 Rotary Peace Fellowship candidate **Rocky Ambago**, who applied to attend Chulalongkorn University for the Professional Certificate course, and D5240 Rotary Peace Fellowship candidate **Ndenyele Omalenge** (Wilson), applied to attend Chulalongkorn University for the Professional course. Both are employed by the Non-Violent Peace Force. Rocky in South Sudan and Wilson in Kenya.

D5240 Peace Chair News

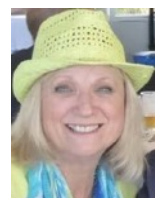

Congratulations to two D5240 Rotary clubs who have signed up with DG Nick Frankle for the Peace Builder Club project. They are: the **Rotary E-Club of One World** <http://oneworldrotary.org/> and the **Rotary Club of Newbury Park** <http://portal.clubrunner.ca/2841>

Chair of the E-club OWR Peace Builder Club Committee, **Frank Tripicchio and President Michael Henstra** have begun the process of implementing a peace education program with a local high school; are in talks with a university and following up with former RYLA students in order to achieve the Peace Builder Club (PBC) criteria. **PP Dana Moldovan** is Peace Chair for the Rotary Club of Newbury Park and with President Robert Weiser has submitted the Peace Builder Club application to DG Nick Frankle for approval. Dana is also a member of the D5240 Peace Committee with **PDG Loretta Butts** and myself as Chair. We are currently formulating a strategic plan for the implementation of the PBC project throughout the district. The recently-established Transition Independent Monitoring Board (Transition IMB) is holding its inaugural meeting this week in London, UK. The group has been established to monitor and guide polio transition (previously referred to as 'legacy') planning. The Transition IMB is separate from the regular IMB which monitors and guides progress towards interruption of transmission of polioviruses.

The role of IPV in the Polio Endgame—Thanks to major steps forward including the declaration of wild poliovirus type 2 as eradicated in September 2015, the phased removal of oral polio vaccines began in April 2016 with the withdrawal of the type 2 component. As an essential part of this, all countries agreed to introduce one dose of IPV into their routine immunization systems to boost immunity against poliovirus types 1 and 3 and provide a baseline of immunity against type 2 in case of an outbreak of type 2 vaccine derived polioviruses.

Afghanistan: No new wild poliovirus type 1 (WPV1) cases were reported in the past week. The total number of WPV1 cases for 2016 remains 12. The most recent case had onset of paralysis on 12 October, from Bermal district, Paktika province. Six of the country's 12 cases are from Bermal district.

Pakistan: No new wild poliovirus type 1 (WPV1) cases were reported in the past week. The total number of WPV1 cases for 2016 remains 16. The most recent case had onset of paralysis on 3 September, from Kohistan in Khyber Pakhtunkhwa (KP).

Nigeria: No new cases of wild poliovirus type 1 (WPV1) were reported in the past week. The total number of WPV1 cases for 2016 remains four. The most recent case had onset of paralysis on 21 August, from Monguno Local Government Area (LGA), Borno.
